

JATDI Certificate Installation Instructions

In order to view CITRIX (.ica) applications over a Secrue (SSL) Connection you will need to install the JATDI Certificate in the "Trusted Root Certifications Authorities" directory. The following instructions will guide you through that process.

- Click on the Image below
- Select "Open"
- Select "Install Certificate"
- Select "Next"
- Select the "Place all certificates in the following store"
- Select "Browse"
- Select "Trusted Root Certifications Authorities" (See Image below)
- Select "Ok" and then "Next"
- Select "Finish" and then "OK"
